December 21st, 2018 - Please note that the Lexile measures for a small population of books have been recently updated Enhancements were made to more precisely measure materials read in K 2 classrooms

Is Darwinian Evolution Just a Theory Evolution News

March 12th, 2015 - But if the scientific objections to Darwinian evolution that I discussed in my earlier article are valid then under this stronger definition it should not be called a "theory". However when scientists use the word "theory" they don't always mean a well established idea that is supported by a broad range of evidence

Darwin s Theory of Evolution Roiled U S on Eve of Civil War

February 4th, 2017 - Darwin's argument that all living things shared a common ancestor provided the abolitionists with a great rebuttal of the dominant American science of the time
