If I have to choose between reading a book or watching a movie, I will always choose a book. This is a great book. I have read it many times and it never gets old. It is a masterpiece of the genre. I highly recommend it to all my friends and family. It is a must read for anyone who loves a good mystery. The plot is brilliant and the characters are well developed. The author has done a great job of creating a world that is both believable and exciting. I am sure you will enjoy it as much as I did. I have read it many times and it never gets old.
