October 26th, 2018 - He holds a Ph d in economics from the University of Toronto Navigating on the Titanic Economic Growth Energy and the Failure

of Governance McGill Queenâ€™s Press I circulate my lecture notes at the end of

- o Energy and Economic Growth
- o Energy Security and Geopolitics

We need cheaper energy and greater equality Policy Options

October 19th, 2018 - Economic growth is the increase in our measured ability to alter our environment to suit our needs and tastes We do this using tools but it is energy that does the work Without energy even the most sophisticated tools are useless â€” witness the 2003 blackout in Ontario and the northeastern United States
